I am deeply indebted to:

Jeff Peterson – My loving punkin. Without you there would be no Grrreat Sex, either in print or in my life. Everyone who reads these books and is inspired to turn up the heat in the bedroom should know that I am inspired by *you*. (And to every woman who's ever asked if kind, decent, caring, charming, masculine, sensitive and extremely sexy men even exist, the answer is *yes*. But this one's all-I-I-lll mine!)

Marty Bishop – My friend, partner, and idol. You're a true Renaissance Man, Marty. I know people who are great with computers, or numbers, or writing, or performing, or talking to crowds... but you're the only one I know who can do it all. It's no wonder your radio show is number one. (And congratulations on those latest ratings!) Can you believe we've written four books now? I wouldn't dream of starting another one without you. Your brilliant words and special insights make these pages sparkle.

Hey, you've got someone to thank, too, don't you? [Indeed I do! My deepest appreciation to the lovely **Dawn Gonzales**, for being such a happy and willing test subject for these seductions. The research for these books sure is fun! But the actual writing can be tough, especially as deadlines approach, and I'm not sure we could have done it without the support of **Dawn** and **Jeff**. Thanks for your patience and understanding. – **M.B.**]

The crew at Login Publishers Consortium –

Susan Shaw, who gets the books out the door and spends her days solving problems for me. **Mitch**, whose a genius in finance. Thanks for all your great advice. **David Wilk**, who has a gift for taking books and turning them into best-sellers. David, you the Man!

Bill Wright, who took a chance on me when no one else would. Bill, you launched my career, and I will always be grateful for that.

Michelle Faulkner, who long ago moved from “business associate” to “great friend.” Michelle, you taught me how to navigate the tricky waters of the publishing business, and I can't thank you enough for your help. You're an amazing woman – beautiful inside and out.

Meg Gallagher – My friend, through thick and thin. Meg, you've done some wonderful things for me through the years, but the greatest is letting me be godmother to your beautiful Grace.

The staff at Dyer Communications, who took this book and made it into a work of art –

Scott Kelly – In a perfect world, everybody would have a boss like Scott. Funny, easy to work with, and smart!

Rod – One of those rare combinations: a talented artist with business sense and a knack for hiring great people. Exactly the kind of guy I want designing my books! **Margaret** – Oh, Margaret, I hardly know what to say. The first time I saw your gorgeous layout, the way you made my words look so beautiful, I got tears in my eyes. Marty and I relished every one of your Fed-Ex shipments, carefully displaying your finished pages around the office like the works of art they are. We were both inspired by your visual feast. **Ward** – The King of Production! Thanks for staying on top of everything. And thanks for the kind words. **Bart** – who was in charge of catching these words as they came spilling out of our Macs. That means you were the very first person to read this book! Glad you liked it.

Sharon House – The Goddess of Public Relations. I will never forget that interview with Barbara Walters on The View, and I have you to thank for it. Now when are *you* going to write a fun sex book?? You've got what it takes, honey!

Frank Weiman – Frank, I have never been more flattered. You keep bringing me offers like that, and I just know we'll do business together. Thanks for your encouragement. Don't stop calling!

Tom Davidson & William Paul at Wolfer Printing – Sealed pages, perforations, inserted invitations: this is one complicated printing project! Thanks to both of you for making it come to life.

Don & Mike – Radio gods, who are on the air in a zillion markets now. They dared me to mention them on the Barbara Walters show but, gosh, guys, it somehow... uhh, got cut out. Yes, that's right, I *raved* about you to all of America, but it ended up on the editing room floor. I made the studio audience get up and chant your names! Barbara herself did the Don & Mike Dance with me – but sadly, it never made it on the air. I'm sorry for my screw up. I really miss you guys.

Morning Mouth, Bit Board, Don Anthony & Allison, Radio Star, and all the great radio prep services who have been telling their subscribers to have me on their shows. No amount of advertising can replace a good recommendation from a respected source. Thank you.

Quickstart Guide

Sit down and read the Introduction with your lover as soon as you can. But if you want to dive right in, here's what you need to know:

1. **Decide who goes first.** One week you will surprise your lover with a wonderful invitation and seduction; the next week your mate will do the same for you.
2. **Pick one seduction and – carefully! – tear it along the perforations down the spine.** Women's pages are in red and inscribed "For Her Eyes Only;" men's are black and say "For His Eyes Only."
3. **Fold and remove the paper strips** along the top and bottom perforations.
4. **Open the sealed page;** remove the enclosed invitation; read it all in private. Don't let your mate find it!
5. **Fill in the blanks on the invitation.** Write down the appropriate time and place, then mail it to your lover. Feel free to personalize it even more with a P.S. or a love note.
6. **Gather all the necessary items:** candles, lingerie, gifts, music, etc. The list of ingredients is at the bottom of each seduction. Some ingredients may be purchased at your favorite adult boutique, but if you can't find them there, call Good Vibrations™ at 1-800-289-8423.
7. **On alternate weeks,** when you receive an invitation, R.S.V.P. as soon as possible.
8. **When the magic moment arrives** and you show up for your date, throw your inhibitions out the door. Be bold!
9. **A note on hygiene.** Fresh breath, clean teeth, shampooed hair, and scrubbed skin – it's the uniform you put on *before* the game of love.
10. **Finally** – Leave this book on the nightstand or dresser in your bedroom as a constant reminder of the *grrreat* sex that awaits!

Icons printed on the outside of each seduction help you decide which one to select:

No dollar signs means it's free, or under ten dollars

\$	10 to 25 dollars
\$\$	30 to 60 dollars
\$\$\$	65 to 100 dollars
(gold star)	over 100 dollars
Car	you're going somewhere
Fork & Spoon	food is involved
Sun	you need good weather

There are lots of ways to economize, especially in the more expensive seductions. Prepare a meal at home instead of going to a fancy restaurant; dress up your bedroom rather than rent a hotel suite. Still, one or twice a year, it's important to pull out all the stops, even if you have to save up for it. Prove that your lover is worth a little sacrifice!

Just do it. *Do it do it do it!* Don't let more than two weeks slide by without tearing a page from the book. At that rate, you can look forward to two whole years of rip-roaring, sheet-splitting, mattress-melting *fun!*

SPECIAL DELIVERY

One day next week you're going to go to the mailbox. Inside will be the usual assortment of bills and ads; things to file and things to toss. But one envelope will be quite different. It'll be personalized; hand-addressed to you. You'll pull it out first, of course, and smile as you tear it open. And then your heart will skip a beat.

It's an invitation.

An invitation to have sex.

Whee! What fun! Right there in your hand is the promise of erotic excitement, and the proof that your lover thinks you're *hot*. The invitation doesn't provide a lot of details – in fact, it could be downright mysterious, filled with clues and hints and requests for unusual objects or outfits – but there's no mistaking its purpose. On one special day, at a specific time and place, your every intimate need will be catered to. No matter how tough the week you might be facing, you know you've got a reward on the way.

And you're going to be counting the minutes until it happens!

NOT EXACTLY A SEQUEL

Four years ago I finished *101 Nights Of Grrreat Sex*, and it wasn't long before people started asking the most satisfying and terrifying question any author can hear: *Laura, when are you going to write a sequel?*

I was deeply gratified that readers loved the book so much. But more? They wanted more?! That's a tall order. I poured my heart and soul into *Grrreat Sex*; I couldn't possibly bring myself to publish anything that wasn't up to the same standard. And the whole Laura Corn message is about avoiding ruts and breaking out of routines. I didn't want to ignore my own advice and write something that was exactly the same as before.

Ah, but what if I could come up with a fun new twist to the secret, sealed seductions that have made the previous books such hits? Something sexy and surprising, something that adds to the burning sense of anticipation that makes each intimate encounter so exciting?

It took a while, but I did it. And I collected fifty-two brand-new seductions, some of which are hotter than ever. So even if you already have *101 Nights Of Grrreat Sex*, *101 Nights Of Grrreat Romance*, or *101 Grrreat Quickies*, hold on to your hats. This book is going to take you places you've never been before... and each voyage into intimacy starts with an invitation that comes in the mail.

THE MAGIC FORMULA

Readers of my other books will recognize the invitation as an extension of my Magic Formula: *Anticipation plus Variety equals Grrreat Sex*. That's the sure cure for boredom in the bedroom, and it's built into every single seduction in this book. First, there's the excitement of waiting for the mail. Once the invitation arrives, your feeling of anticipation really starts to grow. But because these seductions are sealed shut, *you have no idea what your mate is planning!* There are fifty-two surprises waiting for you; fifty-two different ways to bring each other to the heights of ecstasy.

And I don't care how long you've been together or how sexually sophisticated you might be. I guarantee there are things in here you've never tried before.

SO WHAT'S REALLY INSIDE THESE SEALED PAGES? FIRST, THE INVITATION

Each invitation is a beautifully printed and rather steamy request for your lover to join you for some intimate fun. "Steamy" may be an understatement; some of them are downright *hot!* If the language or the suggestions are too strong for your taste, feel free to borrow my ideas and write out your own invitations. In fact, there are several that require you to customize them by filling in some blank lines. Most of them can be mailed as is, though, right after you write down the time and location of your rendezvous.

Your mate will never know quite what to expect, because no two are alike. Some are funny, some mysterious; there are riddles and rhymes and questions and promises, and a few that come with gifts attached. Every single one

is a big fat tease, designed to keep your lover bouncing with excitement as your erotic adventure draws closer.

SECOND, THE SEDUCTION

Each page tells you exactly what to do in order to pull off a thrilling sexual seduction. And each one will come as a complete surprise, because the pages are sealed shut. Many of them require props: sometimes simple items you might have around the house or can get at any department store, and sometimes toys that can be purchased at adult stores. (The sex toys can also be ordered through the Good Vibrations™ catalog if you can't find them at your favorite local adult boutique; see the Quickstart Guide.) Improvise! Customize, if you wish. But you'll have a perfectly *grrreat* time if you do nothing but follow the recipe exactly as written.

Some of these seductions will certainly challenge you to be bolder than you've ever been in your life. You might read one of these and say to yourself, "Laura Corn, I just can't do that!" To which I say:

Yes, you can. Hundreds of thousands of couples have already taken the plunge ahead of you. And over the years I've heard from hundreds of women who say the same thing: they were a little nervous at first... *but the book gave them permission to do it.*

I just love that phrase. They had *permission* to do it, to be wicked and aggressive, to be highly sexual and naughty, to wear hot outfits and perform new acts of pleasure, because they were following the instructions in the book.

So go ahead. Surprise your mate. Shock your lover. I said it's okay.

LAURA, WE HAVE KIDS!

My short answer:

Where there's a will, there's a way. Or to be more precise, where there's a couple of highly aroused grownups, there's a way!

Here's the longer answer. Most of the couples who buy my books have kids, and they've come up with some creative solutions. The basic rule is that if it's your week to seduce, it's your responsibility to do something with the children. Babysitters? Relatives? Neighbors? Whatever you might do to have an evening out, you should do in order to have a private evening *in*. (Although there are a lot of seductions here that take you out of the bedroom... and out of the house!)

Whatever you do with the children, though, please don't hide your excitement from them. Let them see how thrilled you are to be spending some intimate time with your mate. Expose them to the flirting and laughing and hugging that goes along with a healthy marriage. You're their role models, after all; don't you want them to learn to be as happy and affectionate and well-adjusted as you?

HOW TO DO IT

You *don't* go through the seductions from front to back, all in a row. That's too predictable; you won't want your lover to know what's coming. (And no peeking to see what pages your sweetheart has selected!) When it's your turn to be the seducer, pick up the book and leaf through it. Check out the icons on each title page; they give you a clue about what to expect. The little dollar signs indicate the amount of money you might have to spend to pull off your adventure, which will help you budget your romance dollars; if you're a bit too close to payday, for instance, pick one that's free. A few of the seductions are pretty expensive, and I suggest you save those for special occasions like birthdays, anniversaries, and Valentine's Day. But most of these cost less than twenty dollars, and it's easy to find ways to economize. The meaning of all the icons is spelled out on the Quickstart Page.

Once you decide on a seduction, carefully tear it from the book along the spine, remove the top and bottom perfs, and open it up. The invitation is inside; all you have to do is fill in the blanks, put it in an envelope, and mail it to your lover. Then gather up the necessary ingredients (they're listed at the bottom of each seduction), follow the instructions, and get ready for a day, a night, or even a weekend of *grrreat* sex!

So who goes first? Well, that's up to you. Read this introduction together and talk it over. But once you start, leave the book on your nightstand, right next to your bed. As soon as your lover has sprung a fabulous, exciting and extremely satisfying seduction on you, it's your turn to pick up the book and tear out a sealed page.

You don't have to do it every week, but I urge you not to let much time pass between seductions; no more

than two weeks. (At that rate, by the way, this book will give you *two full years* of thrilling new sexual experiences. What a bargain!) If you walk into the bedroom and the book has moved from the nightstand to your pillow, well, I'd take that as a hint that you've fallen behind. Pick it up and get busy.

A lot of couples enjoy scheduling a regular date to sit down together and read through the titles before tearing out a page. Sunday night seems to be the favorite, after the kids are in bed and the house is quiet. But there are no hard-and-fast rules, other than these:

1: *Alternate*. You seduce your mate, then your mate seduces you. And 2: *Do it!*

WHAT CAN YOU EXPECT?

More sex, of course. Better sex! And within weeks, you'll discover – or *re-discover* – a broader and deeper level of intimacy. The power of these invitations stems from two things that are critical to a healthy relationship: *anticipation* and *commitment*.

First, your lover will get a thrill when your special delivery arrives. It's the same rush you both felt when you first started dating, and that sense of anticipation is only going to grow through the week. The thought that your mate has been working for *days* to plan an intimate encounter is enough to put a smile – and a blush! – on anyone's face.

Second, there's no way *not* to follow through with your promise. You can't put it off; once that envelope drops in the mail chute, there's no turning back! For many couples, this will be the first time in years that sex will be given as much priority as everything else. You schedule time for work, and bills, and family... and now intimacy will find a permanent spot on your calendar.

Before you know it, great sex will be a habit!

SO GET STARTED, ALREADY. TEAR THIS BOOK APART!

Over a million couples have now followed my recipes for seduction. Thousands of them have written and called to tell me about their own special erotic tricks and bedroom treats, and many of those stories formed the foundations of this book. If you recognize yourself in here – thank you. I couldn't have written it without you.

And thank *you* for buying this book! Your reward is waiting inside, so go ahead, start right now. Tear out a sealed page, read the seduction, fill out the invitation and slip it into an attractive envelope. The moment you drop it in the mail, the clock starts ticking....

Wishing you a lifetime of love and *grrreat* sex,

For Her Eyes Only

"In one survey a thousand men were asked what turned them on most: dirty talk, x-rated videos, pornography, female masturbation, sexy lingerie, or "other." Of the men surveyed, 92% said they were most turned on by sexy lingerie. In an interesting footnote, 73% of these men said they relied on stimulation such as this to sustain their interest in a long-term relationship."
